

## **Employment Opportunity**

Are you energetic and looking for a way to challenge yourself? The Vera Perlin Society/Perlin Centre are looking for additions to our staff team - someone to assist individuals achieve activities of daily living (hygiene, feeding, toileting, administering medication, testing blood sugars and transferring).

Anyone with a passion for helping individuals with intellectual disabilities is welcome! Experience in the field is always welcomed as it will add to the dynamic of the team! We will guarantee a unique and unforgettable experience!

Because of the nature of this position, we ask that we receive serious inquiries only. This is not a summer job!

### **Requirements:**

- PCA Certificate,
- Current First Aid certificate
- Immunization Records; tuberculosis test
- Able to provide Certificate of Conduct with Venerable Sector Check
- An ability to work independently as well as a part of a team
- Have well developed interpersonal and organizational skills

This is a physically demanding position and requires, hand, arm and shoulder dexterity, sensory ability, lifting to a maximum of approximately fifty five (55) pounds, walking, climbing stairs, standing, bending, reaching, and frequent movement.

The successful candidate will be committed to safety and will partner with all team members to improve worker and client safety by integrating safety into work practices, identifying risks, and implementing improvements.

This is a temporary full time position, Monday – Friday 8:30-4:00 PM.

Closing Date for applications is June 20<sup>th</sup>, 2018.

Please apply to Ann Marie Raynes by emailing [raynes@veraperlinsociety.ca](mailto:raynes@veraperlinsociety.ca)
